

Tuesday 18th February

Westminster Abbey - behind the Monuments

A talk by Malcolm and Dorothy Elliott

Malcolm was a chorister at the Abbey and has served there all his life in various different capacities. Dorothy has been a steward at the Abbey for over thirty years. That's a great deal of combined experience of what goes on in Westminster Abbey!

Tuesday 17th March

The Node, Codicote A talk by Mike Creasey

Though born and educated in Hertford, FOHM member Mike has lived for nearly 50 years in Codicote and is very involved in local history including the colourful stories of The Node Mansion and Park. Previous owners have been the future Lord Brocket, followed by an American millionaire who, 100 years ago, transformed the grounds by building a Japanese garden for his Japanese wife, a French thatched dairy for his French wife and a classic English garden for his American wife. Mike has an extensive photo display record as well as historical slides.

Tuesday 21st April

AGM followed by a talk about Metal Detecting

A Shallow Dig A talk by Anne Slater

Anne lives locally and is a member of the Hertfordshire & District Metal Detecting Society. She has happily detected her way through many Sundays - not quite dawn to dusk. She will talk about and display her finds made over the years.

Tuesday 19th May

The Clock Museum Collections

A talk by Anna Rolls

Anna is Curator of the Clock Museum which was in the Guildhall, London, but is now located within the Science Museum. She will tell us about the collection, which, having been gathered together by the Worshipful Company of Clockmakers, traces the history of London's clockmakers from the first chronometers to the wristwatch.

All talks start at 8.00 pm at St. Andrew's

Centre, St. Andrew Street, Hertford, SG14 1HZ
